# The scientific Journal of the Latvian Academy of Culture (LAC) Culture Crossroads (est.2004)

# Overview of the LAC Journal

- **One journal in English (“ Culture Crossroads”)** and one in Latvian (not discussed today)
- **Fields covered:** ethnology, theory of culture, semiotics, cultural anthropology, museology, cultural heritage, management of culture, sociology of culture and art, cultural economics (including creative industries), cultural politics, audio-visual art, performing arts, dance, theory of literature, musicology, law, linguistics, or other domains of culture studies and arts.
- **Format: online (used to be printed), fully open-access**

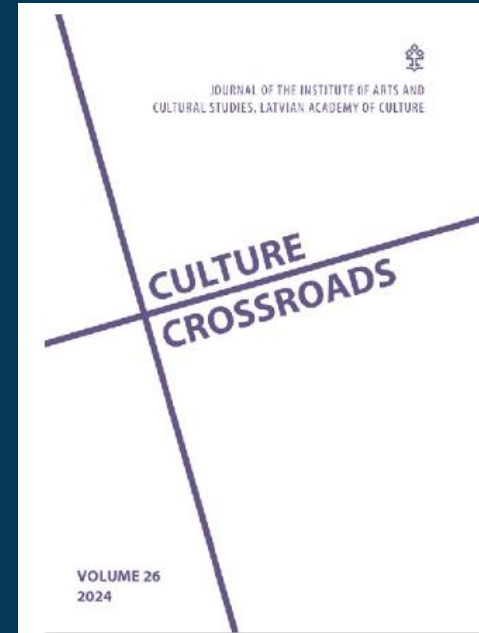

## Aim and scope

The goal of Culture Crossroads is to develop and expand theoretical and methodological approaches to the research of art and creativity with emphasis on the potential of a variety of disciplines and interdisciplinarity.

The main focus of the journal is on the interaction of cultural, artistic and creative processes as well as the synergy between them and other domains of economy, politics and social life.

## Culture Crossroads

ISSN 2500-9974
